The ABC's of Law Practice Management

• MARKETING:

Discover the best Marketing Strategies to Attract New Clients and Retain Current Clients, Effective Social Media Strategies, and learn the Measuring Metrics of Marketing Success

• FINANCIAL MATTERS:

Maintaining Trust Accounts, Alternative Financing, Fee Arrangement & Attorney's Fees Financing
Rainy Day & Roth IRAs

• NEW PRACTICES:

Learn about Resources, Checklists, Mentorship, Pitfalls & Challenges for a New Owner

• BUSINESS TECHNOLOGY:

We'll explore what's Trending in Software, How to Keep Sensitive Data Secure, and what you need to know about Automation, Cloud Storage, Security Awareness and Going Paperless

• MANAGEMENT:

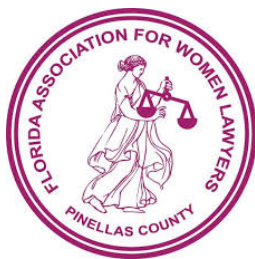

We'll discuss key factors such as the physical office vs. virtual office, support staff, virtual assistants, whether you should go partnership or solo, and how to choose a business entity

• OTHER MANAGEMENT ESSENTIALS:

Client Management Systems, Hiring Employees & Creating Your Law Firm. Ethical Pitfalls & Challenges for Small Firms & Solo Practitioners
